RESPONSE TO OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit the following amendments and remarks in response to the detailed Office Action mailed June 1, 2005, and respectfully request the amendments and remarks be entered in the file of the above identified application. Applicants request a One (1) month extension of time to respond from September 1, 2005 to October 1, 2005. Applicant submits the response in the U.S. Mail on Monday, October 3, 2005 because the response date falls on a Saturday.

Claims are provided in the listing of the claims, which begin on page 2.
Remarks begin on page 3.

REMARKS

Claims 1-5 are pending in the application. In the office action dated June 1, 2005, the Examiner rejected all pending claims.

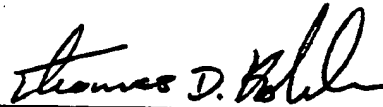

In this amendment claims 1-3 have been canceled. Claim 4 has been amended to correct the informalities in the typographical error. No new matter is added.

The rejection of the claims over Kobayashi and Neumann is respectfully traversed. The cited references do not teach all limitations of the claims of the present application. In particular, with respect to Kobayashi, part 28 is "an infrared-ray transmitting filter (see paragraph [0084]), not an infrared ray reflection filter as claimed. Moreover, Kobayashi, filter 28 is not part of reflector surrounding a tube as recited in claim 4, but instead position in front of a bulb 20 which is inside a reflector (16A). As such, the prior art does not disclose the claimed invention alone or in combination.

In view of the foregoing amendments and remarks, it is believed that the application as a whole is in form for allowance. Should the Examiner have any continuing objections, the Applicants respectfully ask the Examiner to contact the undersigned at 415-442-1106 in order to expedite allowance of the case. Authorization is granted to charge any outstanding fees due at this time for the continued prosecution of this matter to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310 (matter no. 060945-0120).

Respectfully submitted,

Date October 3, 2005
